INFORMATION CIRCULAR

FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

This information is given as of November 14, 2017

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of **CUBA VENTURES CORP.** (the "Company") for use at the Annual General and Special Meeting (the "Meeting") of the shareholders of the Company, to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual General and Special Meeting of Shareholders (the "Notice") and at any adjournment thereof.

These Securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed instrument of proxy is solicited by management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the instrument of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. None of the directors of the Company has advised management in writing that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the "Proxy") are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.** If your shares are held in physical (i.e. paper) form and are actually registered in your name, then you are a registered shareholder. However, if, like most shareholders, you keep your shares in a brokerage account, then you are a Beneficial Shareholder. The process for voting is different for registered and Beneficial Shareholders and you will need to carefully read the instructions below.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to

be acted upon, your shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter that properly comes before the Meeting and for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the shares represented by the Proxy in their discretion.

Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("Computershare"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9;
- (b) using a touch-tone phone to transmit voting choices to the toll free number given in the enclosed Proxy. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll free number, the holder's account number and the proxy access number; or
- (c) using the internet at Computershare's website, www.computershare.com/ca/proxy. Registered shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy for the holder's account number and the proxy access number,

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold shares in their own name. If shares are listed in an account statement provided to a shareholder by an intermediary, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Company. Such shares will more likely be registered under the names of the shareholder's intermediary or an agent of that intermediary. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Beneficial shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of shares). Beneficial shareholders who wish to vote their shares at the Meeting should follow the instructions set out in this Section.

Intermediaries are required to seek voting instructions from shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of beneficial shareholders - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for Non-Objecting Beneficial Owners).

NOBOs

NOBOs can expect to receive a scannable Voting Instruction Form ("VIF") from Broadridge Financial Solutions ("Broadridge"). To vote their shares, NOBOs should complete the VIF and return it to Broadridge in accordance with the instructions provided in the VIF. In addition, Broadridge provides for both telephone voting and internet voting as described in the VIF. The VIF will name the same persons as the Company's Proxy to represent your shares at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company) other than any of the persons designated in the VIF, to represent your shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge in accordance with its instructions in order to have your shares voted at the Meeting or to have an alternative representative duly appointed to attend the Meeting and to vote your shares at the Meeting.

OBOs

Beneficial shareholders who are OBOs will receive instructions from their intermediary as to how to vote their shares. OBOs who wish to vote at the Meeting should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

If you are an OBO, the form of proxy supplied to you by your intermediary will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your shares at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company) other than any of the persons designated in the VIF, to represent your shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting and the appointment of any shareholder's representative. If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your shares at the Meeting.

Notice to Shareholders in the United States

The solicitation of proxies in this Information Circular involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and the securities laws of certain provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the applicable provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the Business Corporations Act (British Columbia), as amended (the "BCBCA"), certain of its directors and executive officers are residents of Canada and a substantial portion of the assets of such persons are located outside of the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare at its address shown on the preceding page, or at the address of the registered office of the Company at 1710-1177 West Hastings Street, Vancouver, B.C., V6E 2L3, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairperson of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder's shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value (the "Common Shares"). As of the record date, determined by the Company's board of directors (the "Board") to be the close of business on November 14, 2017 (the "Record Date"), 83,298,850 Common Shares were issued and outstanding. Each common share carries the right to one vote at the Meeting. At a general meeting of the Company, on a show of hands, every shareholder present in person shall have one vote and, on a poll, every shareholder shall have one vote for each share of which he is the holder.

Only shareholders of record at the close of business on the Record Date who either personally attend the Meeting or who complete and deliver an instrument of proxy in the manner and subject to the provisions set out under the heading "Appointment and Revocation of Proxies" will be entitled to vote their shares at the Meeting or at any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, only the following beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company:

Name of Shareholder	Number of Shares	Percentage of Issued and Outstanding
CDS & Co.	51,588,186 ⁽¹⁾	61.93%
Stephen Marshall	21,000,000 ^{(2) (3)}	25.21%

- (1) *The beneficial owners of these shares are not known to management of the Company.*
- (2) *Information obtained from insider reports available at www.sedi.ca.*
- (3) *14,000,000 of these shares are held in escrow in accordance with TSX Venture Exchange Policy 5.4, to be released pursuant to the terms and conditions of a Surplus Escrow Agreement dated February 23, 2016.*

Board of Directors

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

Mr. Alfredo Manresa Ruiz, a director of the Company, is "independent" in that he is independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of the Company, other than the interests and

relationships arising from shareholdings. Mr. Stephen Marshall is the CEO of the Company, and Mr. James G. Pettit is the President, Chairman and Secretary of the Company, and both are therefore not independent.

Orientation and Continuing Education

The Board briefs all new directors with the policies of the Board, and other relevant corporate and business information.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

The Board conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies.

Other Board Committees

The Board has no other committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the board and committees.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following.

Audit Committee Charter

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Schedule A to this Information Circular.

Composition of the Audit Committee

The Company's audit committee is comprised of three directors, James G. Pettit, Alfredo Manresa Ruiz and Timothy C. Fernback. As defined in NI 52-110, Mr. Manresa Ruiz is "independent". Mr. Pettit is the Company's President, Chairman and Secretary and Mr. Fernback is the Company's CFO and, therefore, both are not "independent". Also, as defined in NI 52-110, all of the audit committee members are "financially literate".

A member of the audit committee is "independent" if the member has no direct or indirect material relationship with the Company. A material relationship means a relationship which could, in the view of the Company's board of directors, reasonably interfere with the exercise of the member's independent judgment.

Relevant Education and Experience

NI 52-110 provides that a member of the audit committee is considered to be "financially literate" if he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexities of the issues that can reasonably be expected to be raised by the Company.

All of the members of the Company's audit committee are considered to be "financially literate", as that term is defined in NI 52-110.

Jim Pettit is a director of several junior resource companies that trade on the TSX Venture Exchange (the “Exchange”), and he has over twenty-five years of experience within the industry. He has significant audit committee experience and has been involved in a variety of matters requiring financial literacy.

Alfredo Manresa Ruiz is a seasoned international banking professional and manager. Mr. Manresa Ruiz was a management executive for Spain’s CAM Bank (now Sabadell) between 1989-2012 in various high profile management roles, including branch and regional management positions in Europe and Latin America and the founding manager of CAM Bank in Havana, Cuba. During his tenure as Country Bank Director in Havana, Mr. Manresa Ruiz handled over 80 million Euros annually in loans and investment, having been licensed for financial operations by the Central Bank of Cuba. His extensive knowledge of the Cuban banking and financial system brings an important addition to Cuba Ventures board of directors.

Tim Fernback is a chartered professional accountant.

The Board believes that the audit committee members have the relevant education and experience to comply with NI 52-110.

Since the commencement of the Company’s most recently completed financial year, the Company’s Board has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Company’s Board, and where applicable the audit committee, on a case-by-case basis.

External Auditor Service Fees

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years ended May 31, by category, are as follows:

Financial Year Ending	Audit Fees ⁽¹⁾	Audit Related Fees ⁽²⁾	Tax Fees ⁽³⁾	All Other Fees ⁽⁴⁾
2017	\$51,000	\$Nil	\$3,150	\$Nil
2016	\$14,994	\$Nil	\$1,500	\$21,420 ⁽⁵⁾

(1) “Audit Fees” include fees necessary to perform the annual audit and quarterly reviews of the Company’s financial statements. Audit Fees include fees for review of tax provisions and for accounting consultations on matters

reflected in the financial statements. Audit Fees also include audit or other attest services required by legislation or regulation such as comfort letters, consents, reviews of securities filings and statutory audits.

- (2) “Audit Related Fees” include services that are traditionally performed by the auditor. These audit related services include employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews and audit or attest services not required by legislation or regulation.
- (3) “Tax Fees” include fees for all tax services other than those included in “Audit Fees” and “Audit Related Fees”. This category includes fees for tax compliance, tax planning and tax advice. Tax planning and tax advice include assistance with tax audits and appeals, tax advice related to mergers and acquisitions and requests for rulings or technical advice from tax authorities.
- (4) “All Other Fees” include all other non-audit services.
- (5) Represents costs of pro forma financial statements related to a change of business.

Exemption

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

No proposed director of the Company has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Appointment of Auditor

Management proposes that Davidson & Company LLP, Chartered Accountants, of Vancouver, BC, be re-appointed auditor of the Company for the fiscal year ending May 31, 2018, at a remuneration to be fixed by the Company's Board.

Davidson & Company LLP, Chartered Accountants, was first appointed auditor at the Company's annual general meeting held October 24, 2006.

Renewal of Stock Option Plan

The Company has a stock option plan (the "Plan") in place for the granting of stock options to the directors, officers, employees and consultants of the Company. The purpose of granting such stock options is to assist the Company in compensating, attracting, retaining and motivating such persons and to closely align the personal interest of such persons to that of the Company's shareholders, having regard to the fact that the Company has no significant ongoing cash flow or revenue from production and, as a result, there are limited funds available for the payment of salaries or consulting fees. The allocation of options under the Plan is determined by the Board which, in determining such allocations, considers such factors as previous grants to individuals, overall Company performance, share price, the role and performance of the individual in question, the amount of time directed to the Company's affairs and time expended for serving on the Company's committees.

At the Meeting, shareholders will be asked to consider and, if thought fit, pass an ordinary resolution approving the renewal of the Plan for the ensuing year. The Plan was initially approved by shareholders at the Company's annual and extraordinary general meeting held November 7, 2003 and has been re-approved annually thereafter. The Plan was last approved by Company shareholders at an annual general meeting held December 16, 2016. It is a condition of TSX Venture Exchange ("Exchange") approval of the Plan that shareholder approval be obtained annually.

A summary of the material aspects of the Plan is as follows:

1. Options granted under the Plan are non-assignable and may be granted for a term not exceeding that permitted by the Exchange (currently ten years);
2. The Plan is administered by the Company's Board or, if the Board so designates, a committee of the Board appointed in accordance with the Plan to administer the Plan;
3. The maximum number of shares in respect of which options may be outstanding under the Plan at any given time is equivalent to 10% of the issued and outstanding shares of the Company at that time, less the number of shares, if any, subject to prior options;
4. Following termination of an optionee's employment, directorship, consulting agreement or other qualified position, the optionee's option shall terminate upon the expiry of such period of time following termination, not to exceed 90 days (30 days if the optionee is engaged in providing investor relations services), as has been determined by the Board;

5. An option granted under the Plan will terminate one year following the death of the optionee. These provisions do not have the effect of extending the term of an option which would have expired earlier in accordance with its terms, and do not apply to any portion of an option which had not vested at the time of death or other termination;
6. As long as required by Exchange policy, no one individual may receive options on more than 5% of the issued and outstanding shares of the Company (the "Outstanding Shares") in any 12 month period, no one consultant may receive options on more than 2% of the Outstanding Shares in any 12 month period, and options granted to persons employed to provide investor relations services may not exceed, in the aggregate, 2% of the Outstanding Shares in any 12 month period;
7. Options may not be granted at prices that are less than the Discounted Market Price as defined in Exchange policy which, subject to certain exceptions, generally means the most recent closing price of the Company's shares on the Exchange, less a discount of from 15% to 25%, depending on the trading value of the Company's shares;
8. Any amendment of the terms of an option shall be subject to any required regulatory and shareholder approvals; and
9. In the event of a reorganization of the Company or the amalgamation, merger or consolidation of the shares of the Company, the Board of Directors shall make such appropriate provisions for the protection of the rights of the optionee as it may deem advisable.

A copy of the Company's current Plan will be available for review at the meeting. The Board recommends that shareholders approve the renewal of the Company's Plan.

Approval of Private Placement Financing and Creation of Control Person

On October 13, 2017, the Company announced a non-brokered private placement of 13,636,363 units at \$0.055 per unit for aggregate gross proceeds of \$750,000 (the "Private Placement"). Each unit consisted of one common share and one share purchase warrant with each warrant entitling the holder to purchase one additional common share of the Company at a price of \$0.075 each for a period of two years. On October 19, 2017, the Company announced closing of the first tranche of the Private Placement, resulting in the issuance of 4,636,363 units of the Company for gross proceeds of \$255,000, leaving a balance of 9,000,000 units to be issued in a second and final tranche. The Company also announced that it had received conditional acceptance from the TSX Venture Exchange (the "Exchange") for the second tranche of the Private Placement and that final acceptance of the second tranche would be subject to certain conditions being met, including the submission and review of a Personal Information Form (PIF) and final acceptance of the Private Placement by the Exchange. Closing of the second tranche of the Private Placement will result in the creation of a new insider and control person of the Company. The subscriber to the Private Placement and new insider and control person is Vesilen Investments S.L. of Tenerife, Spain ("Vesilen"). The principal of Vesilen is Bernard Jean Jacques Lonis of Granadilla de Abona, Tenerife, Spain. Vesilen acquired 4,300,000 units on closing of the first tranche, which, together with its existing holdings, resulted in Vesilen holding 9.86% of the Company's issued and outstanding shares on a fully diluted basis. Upon completion of the second tranche, the Company will issue the remaining 9,000,000 units to Vesilen, thereby increasing its total holdings to 26.92% of the Company's shares on a fully diluted basis.

Vesilen is a multimillion Euro, European holding company, with interests in hotel properties and tech companies such as: Booketea, Enjoysea.com, MyFullTrip, ESM Business School and numerous other tech-based entities. The Company and Vesilen have signed a memorandum of understanding (MOU) for co-development of a blockchain-based mobile application called Revolupay®, and an analogous web-based system, to target Cuba's US \$3.4 billion remittance market and the US \$750 million private sector. See the Company's news release of November 9, 2017 for further details.

Pursuant to Exchange Policy 4.1, if the issuance of private placement shares results in the creation of a new control person, the Company must obtain prior shareholder approval for the issuance of such securities.

Management of the Company considers the commitment by Vesilen to invest in the Company as a strategic partner to be a significant event and in the best long-term interests of the Company moving forward. Accordingly, at the Meeting, shareholders will be asked to pass an ordinary resolution approving the issuance to Vesilen of the 13,300,000 units of the Company and the resulting creation of a new insider and control person of the Company.

Other Matters

The Company will consider and transact such other business as may properly come before the Meeting or any adjournment thereof. The Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice. Should any other matters properly come before the Meeting, the shares represented by the proxy solicited hereby will be voted on such matter in accordance with the best judgment of the persons voting by proxy.
